## TEAM MEMBER GIVING CAMPAIGN

### Help Us Continue St. Joseph's Hospitals' Tradition of Service

*Benefiting St. Joseph's Hospitals, our Team Members and our Community*

Make a difference for our patients, each other and our community by donating to the Team Member Giving Campaign.

Your donation will fund patient care programs and services, education, technology and equipment for our hospitals. Together, we can achieve our combined goal of \$325,000 for the 2022 Team Member Campaign.

### HELP ST. JOSEPH'S PATIENTS & TEAM MEMBERS:

Your gift makes all these programs possible:

#### ■ Humanity Grants

Team members submit ideas for funding to bring care and comfort to patients and their families. Humanity Grants up to \$10,000 are awarded and applications are reviewed three times a year. For more information on how to apply and examples of grants awarded, visit the BayCare Intranet > Forms > Topics > Humanity Grants.

#### ■ Team Member Emergency Fund

When a personal crisis or tragedy impacts a team member, such as a house fire or serious illness, the Team Member Emergency Fund helps by providing financial support. On average, \$50,000 a year is distributed to team members in need.

#### ■ Educational Scholarships

Over \$760,000, 215 scholarships total, have been awarded through the St. Joseph's Hospitals Foundation to help team members pursue their professional education through advanced degrees or attending conferences. Team Members may apply for nursing scholarships or to attend professional conferences to advance their clinical knowledge.

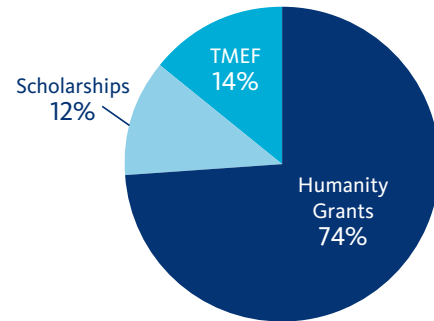

### HELP THE COMMUNITY

#### ■ United Way Suncoast

United Way seeks out the tough problems in our community and fights for the education and financial stability of every person, going to the overlooked places to help those who need it most.

### TEAM MEMBER GIVING IMPACT

In 2021, over \$340,000 was awarded to fund Humanity Grants, educational scholarships, and team member emergencies.
